ISPANZ, the Internet Service Providers Association of New Zealand, is a not for profit organisation which was formed to encourage diversity, innovation, cooperation and independence for Internet Service providers, resellers and Internet users in Aotearoa/New Zealand.

## Our Objectives are:

- To promote and facilitate the effective functioning of the Internet in Aotearoa/New Zealand as an open system.
- To promote wide connectivity and diverse styles of delivery for the Internet.  
To promote a fully competitive market place for Internet services.
- To inform concerning the possibilities for advancement of Internet services in Aotearoa/ New Zealand and contribute to wide understanding of the techniques and economics used in providing telecommunications infrastructure for the Internet.

## Membership benefits:

- The opportunity to participate in working groups and discussions addressing market issues
- The opportunity to be part of a collective industry voice, regardless of your size
- The ability to represent the industry on key issues

## Membership requirements:

As per our constitution, any natural person or Organisation that is trading as an ISP from a location within New Zealand who agrees to abide by the aims and objectives of ISPANZ may apply to become a full member.

The definition of ISP is “a company that offers IP connectivity to the commercial or residential public. That is operating IP transit between the customer location or connection and the global Internet.” A copy of the constitution can be found on the ISPANZ website <http://www.ispanz.org.nz>.
